# What's Your Why?

<b>Project Title</b>	What's Your Why?
Project Summary	This project seeks to tell the stories of outstanding programs and activities performed by volunteers and organizations who serve at VA facilities across the country. Along this journey of inspiration, we'll capture the legacy of VA Voluntary Service as it nears its 75th anniversary in 2021.
Country	United States

# **Project Description**

VA has more than 61,000 individuals who will work for its organization for free. Why? It brings in approximately \$100M in gifts and donations annually. Why? It partners with thousands of organizations across the country routinely in support of its mission of delivering outstanding care and services to more than 9 million Veterans, families and caregivers. Why? This project seeks to put meaning to the numbers and go beyond just "what" these individuals and organizations are doing, but "why" these choose to serve with VA. The ultimate goal is to inspire others to give of their time and talents to America's Veterans through civic engagement activities within VA and recognize those who have been part of this 75-year legacy of service.
